Augusta Warrior Project Named Outstanding Local Partner by the Association of Fundraising Professionals

The Augusta Warrior Project, the only local organization that brings together all necessary resources to help local Warriors from all eras, was honored with the Outstanding Local Partner Award by the Greater Augusta Chapter of the Association for Fundraising Professionals.

“Augusta Warrior Project works tirelessly to serve Warriors in the Augusta and Aiken area so we’re thrilled to be given this honor and recognized as an outstanding community partner,” said Kim Elle, CEO of the Augusta Warrior Project.

The 2016 National Philanthropy Day Luncheon will be held on Wednesday, November 9, 2016, at Augusta Country Club. The National Philanthropy Day Luncheon serves as the platform by which the community comes together to honor those extraordinary individuals and organizations that embody the spirit of philanthropy in our community.

To learn more about the lifesaving work that Augusta Warrior Project is doing in the greater CSRA area, contact them at 706-951-7506 or visit the website www.augustawarriorproject.com.

About Augusta Warrior Project

AWP is a 501(c)(3) nonprofit organization whose mission is to serve all active military – wounded or not – and their Families. AWP works with a large network of resources to focus on four key areas that help Veterans improve their lives: education, housing, employment and benefits. All proceeds remain local, and AWP has 11 offices strategically located across 17 counties. We have just added four additional counties to serve our area in 2016.
